KYOVA Interstate Planning Commission is the Metropolitan Planning Organization (MPO) for the Tri-State area of West Virginia, Kentucky, and Ohio. As the MPO, KYOVA serves as a transportation planning agency and forum for regional transportation decisions. Its mission is to plan for an orderly, cost-effective, multi-modal transportation system for all citizens of the service area. With the support of local officials, the Commission plans for sound transportation improvements, which facilitate the movement of goods and people in a
